Mafi Shatter Me, Ignite Me

The gripping first installment in New York Times bestselling author Tahereh Mafi's *Shatter Me* series. One touch is all it takes. One touch, and Juliette Ferrars can leave a fully grown man gasping for air. One touch, and she can kill. No one knows why Juliette has such incredible power. It feels like a curse, a burden that one person alone could never bear. But The Reestablishment sees it as a gift, sees her as an opportunity. An opportunity for a deadly weapon. Juliette has never fought for herself before. But when she's

reunited with the one person who ever cared about her, she finds a strength she never knew she had. And don't miss *Defy Me*, the shocking fifth book in the *Shatter Me* series!

Seventeen-year-old Cassia sacrifices everything and heads to the Outer Provinces in search of Ky, where she is confronted with shocking revelations about Society and the promise of rebellion.

Set after Tahereh Mafi's *Shatter Me* and before *Unravel Me*, *Destroy Me* is a novella told from the perspective of Warner, the ruthless leader of Sector 45. Even though Juliette shot him in order to escape, Warner can't stop thinking about her—and he'll do anything to get her back. But when the Supreme Commander of The Reestablishment arrives, he has much

different plans for Juliette. Plans Warner cannot allow. The Shatter Me series is perfect for fans who crave action-packed young adult novels with tantalizing romance like *Divergent* and *The Hunger Games*. This captivating story, which combines the best of dystopian and paranormal, was praised as "a thrilling, high-stakes saga of self-discovery and forbidden love" by Ransom Riggs, bestselling author of *Miss Peregrine's Home for Peculiar Children*. Don't miss *Defy Me*, the shocking fifth book in the Shatter Me series!

inventor named Reed, and she takes refuge in his dilapidated house. However, the people she left behind refuse to stay in the past. While Gabriel haunts Rhine's memories, Cecily is determined to be at Rhine's side, even if Linden's feelings are still caught between them. Meanwhile, Rowan's growing involvement in an underground resistance compels Rhine to reach him before he does something that cannot be undone. But what she discovers along the way has alarming implications for her future—and on the past her parents never had the chance to explain. In this breathtaking conclusion to Lauren DeStefano's Chemical Garden trilogy, everything Rhine knows to be true will be irrevocably shattered.

The devastatingly romantic fifth novella in the New York Times and USA Today bestselling Shatter Me series, chronicling

the events after *Imagine Me*, the explosive sixth novel. Juliette and Warner fought hard to take down the Reestablishment once and for all. Life in the aftermath isn't easy, as they and their friends at the Sanctuary work with their limited resources to stabilize the world. Warner has his sights set on more than just politics. Since he proposed to Juliette two weeks ago, he's been eager to finally marry her, the person he loves more than anything and has endured so much to be with. But with so much chaos around them, it's been nearly impossible for them to have a wedding. And even Juliette has been distracted by everything they need to do. At long last, Warner and Juliette's future together is within reach, but the world continues to try to pull them apart. Will they finally be able to be happily, officially, together? It is Tokyo in 1939. On the Street of a Thousand Blossoms, two orphaned brothers dream of a future firmly rooted in tradition. Restore Me Shatter Me 4

A dramatic tale filled with passion and depression, poverty and ridicule, infidelity and redemption, this is the unforgettable story of Mary Todd Lincoln—one of history's most enigmatic and misunderstood women. Writing from Bellevue asylum—where the shrieks of the other inmates keep her awake at night—a famous widow finally shares the story of her life in her own words. From her tempestuous childhood in a slaveholding Southern family through the opium clouded years after her husband's death, we are let into the inner, intimate world of this brave and fascinating woman. Intelligent and unconventional—and, some thought, mad—she held séances in the White House, ran her family into debt with compulsive shopping, negotiated with conniving politicians, and raised her young sons during the Civil War. She was also a political strategist, a comfort to

wounded soldiers, a supporter of emancipation, the first to be called First Lady, and a wife and mother who survived the loss of three children and the assassination of her beloved husband.

In a universe where assassins make the law, everyone lives in fear—except for Syn. Born of an illicit scandal that once rocked a dynasty, he always knew how to survive on the bloodthirsty streets. But that was then, and the future is now... Syn was raised as a tech-thief until his livelihood uncovered a truth that could end his life. He tried to destroy the evidence, and has been on the run ever since. Now trained as an assassin, he allows no one to threaten him. Ever. He is the darkness that swallows his enemies whole. Shahara Dagan is the best bounty hunter in the universe. When Syn comes back on the radar, she's the only one who can bring

him to justice. There's only one problem: Syn is a close family friend who's helped out the Dagens countless times. But if she saves him, both of their lives will be on the line. Is Syn's protection worth the risk? The only hope Shahara has is to find the evidence he buried long ago. Now it's kill or be killed—and they, the predators, have just become the hunted... *Born of Fire* is the second book in bestselling author Sherrilyn Kenyon's *League* series.
