Modern Brazilian Portuguese Grammar: A Practical Guide is an innovative reference guide to Brazilian Portuguese, combining traditional and function-based grammar in a single volume. The Grammar is divided into two parts. Part A covers traditional grammatical categories such as agreement, nouns, verbs and adjectives. Part B is carefully organized around language functions covering all major communication situations such as establishing identity, making contact and expressing likes, dislikes and preferences. With a strong emphasis on contemporary usage, all grammar points and functions are richly illustrated with examples. Building on the success of the first edition, this second edition also includes:

- An introduction to the
