my head | Eleanor Longden

As seen in the New York Times Book Review. Set in the passionate, intense, and crumbling neighborhood known as the Spanish Quarter of Naples, comes a tale of two students searching for love and belonging in the city they so desperately want to call home. Years after leaving Naples with a broken heart, Heddi receives an email from her first love. Although she now lives in New Zealand, just the thought of the Spanish Quarter's narrow, winding streets sparks the pain of longing. Heddi had found her place in that city built on Roman ruins and set against a sleeping volcano. A place she wants to call home despite being *l'Americana* or the American. For Heddi's group of university friends, Naples is either a refuge from their familial responsibilities or an entryway to

Download File PDF Amintiri N El Toare Sandra Brown C R Ile Tinerilor

a wider world. But for all of them, Naples was their real university of life: the setting of their unrestrained youth. When Heddi first met Pietro at a party hosted by her bohemian roommates, she was inexplicably drawn to the serious geology student. Despite coming from wildly different backgrounds—Heddi, a nomadic American; Pietro, an Italian farm boy—the two fell into a liberating romance. She was searching for the roots she never had, while he tried to escape his. Yet even after the two were doomed to part ways, their story isn't finished just yet. Inspired by her own 10-year search for belonging in Naples, author Heddi Goodrich gives readers a passionate tale of a life caught between two worlds and a heartfelt ode to first love—of a place, of a person—where languages and cultures collide while dreams soar and crash in unexpected ways.

The castle burns. The prince has gone bad, and it's only Selunia's fault. As she tries to temper Soris' dark side and awaken her true powers, Selunia finds about the old castle's mysteries and its curse upon the royal family. And then the fire spirit comes to challenge her skills... The second part of the Mysterious Soldier is packed with magical action, fantasy romance, and enthralling mysteries. Carry on your fantastic journey in the Arid Kingdom with Selunia and Soris as your travel guides. Genre: YA Fantasy Romance

A Communist spy chief reveals the unbridled and oppressive power wielded by the Party in Romania and other Eastern Bloc countries

A tale of "dazzling brilliance . . . a simple story which conveys boundless meanings both modest and diverse, set in Jerusalem

directly after WWII (Historical Novel Society). When Soumchi, an eleven-year-old boy growing up in British-occupied Jerusalem just after World War II, receives a bicycle as a gift from his Uncle Zemach, he is overjoyed—even if it is a girl's bicycle. Ignoring the taunts of other boys in his neighborhood, he dreams of riding far away from them, out of the city and across the desert, toward the heart of Africa. But first he wants to show his new prize to his friend Aldo. In the tradition of such memorable characters as Huckleberry Finn and Holden Caulfield, Amos Oz's Soumchi is fresh, funny, and always engaging. "What a difference spirit and talent make! . . . told . . . with zest and buoyant humor, from the dual viewpoint of the alternately crushed and elated Soumchi and the amused author who delights in his boyhood excesses." Kirkus Reviews "Oz shows a remarkable ability to stay true to his character

and expand him fully into a multi-faceted jewel. Soumchi is a concise read which enhances each person's view on life, possessions, and how tender life and far-reaching imagination can be at such a sensitive age. □ □Historical Novel Society

□...his eyes met hers in the mirror. They were dark and smoldering, like the purest of blue flame. And in her own eyes was the glassy sheen of desire. □ Arden Gentry went to the lush island of Maui for the specific purpose of ingratiating herself into Drew McCasslin's world. The dashing widower, who had bitterly grieved the death of his wife, is ready to tackle life again and believes that his meeting with Arden is fortunate happenstance. He and his young son, Matt, are drawn to Arden's warmth and tenderness, and both open their wounded hearts to her. But even as the passion between Drew and

Arden intensifies and points toward love, she's harboring the secret of their inextricable bond...which could also rip them apart.

Emilia, a pensioner in northern Romania, is forced to confront the nostalgic illusions she nurtures as a reaction to the grim post-communist present when her daughter, now living in Canada, telephones urging her not to vote for the former communists in upcoming elections. Determined to discover in her own mind why 'things were better back then,' she explores her memories of growing up in an impoverished village and of her life as a factory worker in the town. But ironic tension grows as the reader glimpses between the lines how nothing was what it seemed in Ceaușescu's Romania. Interspersed among Emilia's memories are fantastical, hilarious anecdotes about the dictator, told by a factory foreman

who will turn out to have been a secret police informer. I'm a Commie! is a subtle and humane novel about self-deception, but also about the ways in which a totalitarian state twisted ordinary lives.

Bestselling author Sandra Brown weaves a tale of murder, passion, and intrigue in the pristine corridors of the White House. Barrie Travis is not famous: she's just a damn good reporter stuck at a low-budget television station. Then, her old friend and now First Lady calls her to investigate the supposed SIDS death of her baby. Stunned by grief after the loss of her infant son, the President's wife hints that her child may have murdered. Blind to everything but finding the truth, Barrie delves into the private lives of the president and his wife and uncovers dark and terrible secrets that will test her

Download File PDF Amintiri N El Toare Sandra Brown C R Ile Tinerilor

ethics, her patriotism, and her courage. With the help of Gray Bondurant, a mysterious former presidential aide, this story could topple the presidency and change the course of history. In this fast-moving political thriller, Barrie must fight powerful forces that want nothing more than to see the scandalous past-and a certain young reporter-dead and buried.

Simple office worker by day, warrior by night.Kyle used to live a normal life until an ancient spirit put a curse on him. Now he has to finish a series of strange missions in another world so he can wake up in the morning and live in the normal world. He wants to break the spell, but what will he choose after falling for the spirit's daughter?Kyle is 27 years old and likes to live a normal life. He first encountered the spirit in his dreams when he was a teenager. In

the beginning, he thought all those requests were harmless as they were supposed to be mere dreams but later on he realized some of them had effects in the real life too. Somehow, he managed to escape from the spell. Ten years later, the spirit finds him again and wants to turn him into her loyal subject. However, things will change for both of them when Kyle receives the mission of saving The Princess. Kyle's Nightmare is a fantasy action adventure kindle book with a story set in a dreamland, clean and wholesome romance, light humor, and many plot twists. Excerpt The portly bartender was pretending not to watch me. I flung my hands in the pockets of my jeans and I walked toward him. "Hey there, old man," I said with a wink. "Give me something to drink and I'll give you something to admire in return." He didn't look up but poured a glass of foamy beer and pushed it my way. I took out the Diamond Queen

Download File PDF Amintiri N El Toare Sandra Brown C R Ile Tinerilor

from my sage green jacket and placed it on the long table. While sliding my hand back from the playing card, an idea hit me. This is a dream. I frowned. Before the bartender could lay his hand on it, I took the card back and replaced it in the pocket. He noticed the concentrated look on my face. "Hey, kid! Are you going to pay or not? Don't try to make a fool of me!" But I didn't care about what he was saying. I was thinking about what had made me believe this world wasn't real. Turning my back on him I looked around and asked myself, "Where was I before getting into this place? Who am I?" Restlessness crept over me. "I'm Kyle Jadison! I should be on my way back from work," I thought and felt my heart racing. Everything about this place wasn't real and I couldn't wake up. I made to leave but the bartender grabbed my arm. "Listen, boy," he said in a grave tone. "You better pay right now." I pulled myself

Download File PDF Amintiri N El Toare Sandra Brown C R Ile Tinerilor

from his grip and turned. "You're not real!" The man took me by the collar and pulled me up to his face. "Don't try something stupid," he whispered. "Just do what you got to do." I was taken aback by this turn of events; it was as if he could actually read my mind. "No," I said. "I'm not her slave!" then I pushed him away, took out the card and ripped it to tiny pieces.

Learn to make money in the stock market, even if you've never traded before. The stock market is the greatest opportunity machine ever created. Are you ready to get your piece of it?
