United States History

Prompt: evaluate how successful reconstruction was in incorporating former slaves into American society during the period 1865-1896. Thesis: reconstruction failed to incorporate former slaves into American society during the period 1865-1896 because the new economic and political opportunities that arose for blacks were blocked by white conservatives in a last attempt to continue their supremacy.

Amsco Ap Us History Multiple Choice Answers

In the antebellum period between 1820 to 1860, the US was divided into 2 regions, both with very different views on many issues. The US government tried keeping the nation away from civil war by writing many compromises to appease both sides, but it was proven that these compromises were ineffective and only served as a short term solution.
