For APA, you use the authors' surnames only and the year of publication in text. If you are using a direct quote, you will also need to use a page number. If you are using the authors' names as part of the sentence, normal sentence rules apply - always use "and", and never us an "&". However, if you haven't mentioned your authors in the sentence, and they are in the brackets, follow the style rules and always use an "&".
