Shobogenzo is a Zen-text that was written by Dogen. The meaning of the name is: The Eyes and the Treasure of the True Law. The Treasure is the treasure that every human being has within him. The Eyes are the eyes of truth. Shobogenzo contains 95 chapters. It is considered worldwide as one of deepest and most important spiritual and philosophical work that was ever written in Japan.

principles will let you break free from a habit of being busy while accomplishing little.

The Zen Guide to Quality Management

Brad Warner, the young punk who grew up to be a Zen master, spares no one ? just like Reality itself. This bold new approach to the Why of Zen Buddhism is as strongly grounded in the tradition of Zen as it is utterly revolutionary: Warner's voice is hilarious, and he calls on the wisdom of everyone from punk and pop culture icons to the Buddha himself to make sure his points come through loud and clear.

An old Zen proverb states that if you try to explain Zen, you have already failed. But an article written in zenstudies.org called "What is Zen" does a fantastic job. It states that Zen is both something we are and do. Our true nature is expressed from moment to moment, and a disciplined practice through which we can realize the joy of being.
