This is the continuation of the IMA series, Armed and Dangerous. Starts pretty much where it left off in Cloak and Dagger, Christine back at home with her narcissistic mother. Her parents have divorced and she is working to move on from her kidnapping and confused feeling for Michael. Talking with Doctors are a waste....

What they failed to take into account was the fact that I might not want to confront the horrors of my recent past, let alone document it all in the written word for any and all to see. Whatever you say can and will be held against you, and with the IMA it would be at gunpoint. The IMA were a terrifying group. Mercenaries trained like soldiers.

Armed and Dangerous (The IMA, #2) by Nenia Campbell. It's hard to adjust to the trials and tribulations of college when you've been the focal point in a web of intrigue and murder. Christina Parker, now a student at a small liberal arts college in central Arizona, is still trying to forget the man who took her through hell and back one year ago ...

~~Amazon.com: Customer reviews: Armed and Dangerous (The IMA)~~

Armed and Dangerous is still as fast paced as Cloak and Dagger and again I was a bit confused with how the plot and what direction it went. But I didn't care that much as I was so absorbed into Michael and Christina's life. It really is tense at times and has you on the edge of your seat. Christina isn't as naive and has more about her in this one.

Armed and Dangerous by Nenia Campbell (The IMA #2) was just as suspenseful as the first book was. And I like where this series is headed. Both Christina's and Michael's growth throughout Armed and Dangerous was fascinating to read. I am very much looking forward to the next book in the series.
