## Biting Bullet

---

3 book you HAVE to read this summer! | true crime + love + mystery

I'm Lucille Robinson (aka Jaz Parks). This is a mission unlike anything my vampire boss, Vayl, and I have ever been on. It's not our usual take-them-out-and-run; it's an undercover mission that needs the whole gang: a psychic, an interpreter, and a weapons specialist. We've never gone in with such heavy artillery before, but the more the merrier, right? Um...nope. At least not since Vayl and I learned part of our job is to ferret out a mole concealed in our unit. To add to our problems, we're being harried by a pack of reavers bent on

revenge, and targeted by a Seer who wants to share Vayl's power - at any cost. This is going to be a blast.

Jaz Parks here. I. Am. Pissed. Just as Vayl and I arrive in Morocco to secure an ancient artifact, he wakes up calling me by another woman's name. And it's not even a good one. But since any form of argument transforms him into an unholy terror, I'm forced to play along until the gang and I can figure out what kind of power has so vastly altered his perceptions. So it's time for me to do what any well-trained assassin in my position might do. I attack. What follows is a hair-raising, breath-taking bullet train ride to the finish as the crew battles on multiple fronts. I now know what I have to do - I must

return to hell one last time.

It's Jaz Parks. I've already smoked the guy who was the pain in the CIA's you-know-what for the past few years. But now, in the power vacuum left by the death of Edward "The Raptor" Samos, a struggle for supremacy has begun between his former allies. The CIA feels the balance must be maintained. So when an agent planted among the Weres discovers a plot to assassinate the Coven's leader, my vampire boss and I are brought in to take out the woman hired to do the deed, a killer who might be as wily and Gifted as ourselves. So it's off to the Scottish Highlands for some twisted fun among murderers, demons and half-crazed

relatives. Sometimes being a top-secret CIA assassin isn't all it's cracked up to be.

I have two choices. Carve Brude's name into Hell's bile-encrusted gates. Or lose my soul. After an assassination attempt on Vayl, I find myself pulled into a tangled web that takes the gang to Romania. So how will I save a ghost, rescue a demon, and cheat the Great Taker out of a soul he's slaving for while defeating my nastiest foe yet so that Vayl can, at last, cherish a few precious years with his sons? With careful planning, major violence, and one (hopefully) final trip to Hell.

Jaz Parks here. But I'm not alone. I'm hearing voices in my head - and they're not mine. The problem, or maybe the solution, is work. And the job's a stinker this time -- killing the gnomes that are threatening to topple NASA's Australian-based space complex. Yeah, I know. Vayl and I should still be able to kick this one in our sleep. Except that Hell has thrown up a demon named Kyphas to knock us off track. And damn is she indestructible!

"Mr. and Mrs. Smith" meets "Buffy the Vampire Slayer" in this wild, action-packed, debut series from Rardin about CIA operative Jaz Parks and her boss, Vayl--a vampire assassin.

I'm Jaz Parks. CIA assassin. Black belt. Belly dancer at the Corpus Christi Winter Festival. The last is cover for my latest mission: retrieve a vital piece of biotechnology by killing the maniac who stole it. He's Chien-Lung, an obsessive vamp who's invulnerable while wearing his armor - which is constantly. Then there are the reavers, ancient fiends who murder innocents and eat their souls. Only I can sense them. So it's not long before they'll want me dead, dead, dead.

I'm Jaz Parks. My boss is Vayl, born in Romania in 1744. Died there too, at the hand of his vampire wife, Liliana. But that's ancient history. For the moment Vayl

works for the C.I.A. doing what he does best--assassination. And I help. You could say I'm an Assistant Assassin. But then I'd have to kick your ass. Vayl and I have to take out a Miami plastic surgeon with ties to terrorism. But the assignment gets complicated when it turns out he's in cahoots with a supernatural nasty powerful enough to bring America to her knees.

Saint City has always been Dante Valentine's home. It's where she grew up, it's where her dead are buried, and it's where she learned to hunt. Now, one call from an old friend will bring her back to investigate a murder too close to home for anyone's comfort. But the one

A rabbi raises a terrifying ancient creature - the golem - to protect his congregation, but the results are far bloodier than he could ever have imagined. Now, Jaz and Vayl, the CIA's top assassins, must hunt down the golem and end its reign of terror. The events of this short story take place between Biting the Bullet and Bitten to Death, books 3 and 4 of the Jaz Parks series. Word count: ~4,800
