The twelfth-century French poet Chrétien de Troyes is a major figure in European literature. His courtly romances fathered the Arthurian tradition and influenced countless other poets in England as well as on the continent. Yet because of the difficulty of capturing his swift-moving style in translation, English-speaking audiences are largely unfamiliar with the pleasures of reading his poems. Now, for the first time, an experienced translator of medieval verse who is himself a poet provides a translation of Chrétien's major poem, Yvain, in verse that fully and satisfyingly captures the movement, the sense, and the spirit of the Old French original. Yvain is a courtly romance with a moral tenor; it is ironic and sometimes bawdy; the poetry is crisp and vivid. In addition, the psychological and the socio-historical perceptions of the poem are of profound literary and historical importance, for it evokes the emotions and the values of a flourishing, vibrant medieval past.

Chamavam-se Inessa, Clara, Nadia, Magda, Felismina, Jiang Qing, Elena, Catherine... E eles Lenine, Mussolini, Estaline, Hitler, Salazar, Mao, Ceausescu, Bokassa. Prostitutas ou mulheres da alta burguesia intelectual, paixões fugazes ou amores intensos, eles maltratavam ou adoravam-nas, mas, sistematicamente, voltavam para os seus braços. Esposas, companheiras, musas, admiradoras, todas têm em comum o facto de terem sido vencedoras, enganadas e sacrificadas. Aos seus homens cruéis, violentos, tiranos e infieis, faziam crer que eram belos, charmosos e todo-poderosos. Sendo a virilidade um dos alicerces do poder absoluto, os ditadores sentiam a necessidade de juntar figuras femininas ao imaginário de poder e domínio que criaram. E assim controlando-os na sombra, por vezes, até à morte, como se vivessem sob a égide de um Pigmaleão. Diane Ducret relata em detalhe os momentos, as estratégias de sedução, os casos amorosos, as intervenções políticas e os destinos diversos, ocasionalmente trágicos, das mulheres que cruzaram o caminho ou passaram pelo leito dos ditadores.

How Cool Brands Stay Hot reveals what drives Generation Y, the most marketing savvy and advertising-critical generation, and how you can develop the right brand strategies to reach this group which, at three times the size of Generation X, has a big impact on society and business. Packed with qualitative and quantitative research plus creative ideas on how to position, develop and promote brands to the new consumer generation, it explains the five crucial steps or dimensions on how to stay a cool youngster brand. The first edition of How Cool Brands Stay Hot won the prestigious 2012 Berry-AMA Book Prize for the best book in marketing and Expert Marketer's Marketing Book of the Year 2011. This fully updated second edition incorporates additional years of extensive research and includes new case studies and 18 interviews with global brand and marketing executives of successful brands such as Converse, Heineken, Diesel, Coca-Cola, MasterCard, eBay, and the BBC.

Archie has a dream that a fairy magically transforms him to walk in the shoes of those less fortunate than himself. It is a new Archie that plays with his cousin, Lina, the next day.

When Davey realizes that his scary nighttime visitors are really his unacceptable angry feelings about his little sister, projected into the outside world, he feels free to express his anger in a healthy way.

Cinzia Padovani takes an in-depth look at Italian public service broadcasting, covering its history, its role in Italian society, its relationship to the political party system, and its influence on cultural and linguistic unification in Italy. Tracing the history and development of Italian public television broadcaster Radiotelevisione Italiana (RAI) to the present, Padovani challenges traditional views by asserting that parties' 'interference' in RAI has, at times, strengthened the role of public service broadcasting and that partisan journalism has even enhanced democratic potential.
