Sadly - but

Bloodline Tom

Inevitably, i

suppose - Mark

Billingham has

never quite

managed to capture

the excellence of

the first two or

three in the Tom

Thorne series. This

isn't bad and has

some good

moments. However,

I have to say that I

think he is wrong to

Online Library Bloodline Tom

narrate his books himself - he's a good writer but I find his narration flat and for me it detracts from a proper enjoyment of the book.
