Jillian Conrad's blood has killed the vampire king. Now an enemy to all vampires, she is targeted for elimination. So is the infant daughter of the dead king. If Jillian doesn't stand in the way of her death, then everyone, living or dead, is in great peril.

Jillian Conrad never believed in vampires-until she was unwillingly injected with a serum that was supposed to act as a deadly poison to them. Now, tormented half-vampire Declan Reese wants her blood to destroy the undead kingdom. Unfortunately, the serum has also made her blood irresistible to all vampires-including Declan, whose desire for Jillian is more than mere hunger.

Sarah Dearly is adjusting to life as a fledgling vampire, satisfying her cravings at vampire-friendly blood banks. But when her fianc\u00e9 Thierry takes a job with the Ring-the secret council in charge of keeping vampires in line-Sarah's about to get more than a taste of danger. Being engaged to a centuries-old master vampire can be challenging-especially when he takes a job with the Ring. Thierry's in for fifty years of nonstop travel and deadly risk. It's enough to make any woman reconsider the wedding...any woman except Sarah, that is. Traveling to Las Vegas for his first assignment, they encounter a child beauty pageant contestant from hell, as well as a vampire serial killer leaving victims drained of blood, potentially ending the existence of vampires to the whole world. But when Thierry's truly ancient history comes back to haunt him, and he's accused of a crime he didn't commit, it's up to Sarah to clear his name before their immortal lives come to an end.

View our feature on Michelle Rowen's The Demon in Me.Hell hath no fury like a woman possessed... After her hunky police detective partner guns down a serial killer in front of her, "psychic consultant" Eden Riley realizes that she's no longer alone. A voice in her head introduces himself as Darrak. He's a demon. But not in a bad way. He was cursed 300 years ago and he wants to find a way to break free. Eden's psychic energy helps him take form during daylight, and she's going to have to learn to live with this sexy demon...like it or not.

Unable to resist a kiss from her crush despite her otherwise careful nature, Samantha is stricken by a bizarre, mysterious hunger and turns for help to secretive street youth Bishop to stop an encroaching darkness that threatens to overwhelm her. Original.

Half-angel, half-demon Samantha struggles with her feelings for Bishop, whom her kiss is powerful enough to kill, and helps an angel-demon alliance fight a mysterious darkness that is triggering teen suicides.

In Rowen's death-defyingly funny debut--a cross between "Buffy the Vampire Slayer" and "Sex in the City"--Sarah Dearly goes on a blind date . . . with a vampire. Original.

Reluctant witch Eden Riley knows that codependent relationships aren't good, especially when you're possessed by a sexy but troublemaking demon. Darrak's physical form makes good girl Eden want to go bad, but the constant itch to use the soul-destroying black magic she's recently acquired might force Eden to explore her dark side in an entirely different way. And when her magic starts manifesting itself without conscious effort, both Eden's life and the possibility of a future with Darrak are threatened-since only one of them might be able to survive this...
