Christian Democracy And The Origins

The origins of Christian democracy go back to the French Revolution, where initially French republicanism and the Catholic church were deeply hostile to one another as the revolutionary government had attacked the church, confiscated the church's lands, persecuted its priests and had attempted to establish a new religion around reason and the supreme being.

Christian democracy - Wikipedia

He shows how well networked party elites ensured that the origins of European Union were predominately Christian democratic, with considerable repercussions for the present-day EU. The elites succeeded by intensifying their cross-border communication and coordinating their political tactics and policy making in government.

Christian democracy, political movement that has a close association with Roman Catholicism and its philosophy of social and economic justice. It incorporates both traditional church and family values and progressive values such as social welfare. For this reason, Christian democracy does not fit

Christian democracy | political movement | Britannica

Description. This book is a pioneering contribution to the history of the founding of the West German political system after the Second World War. The political cooperation between Catholics and Protestants that resulted in the formation of the Christian Democratic Union (CDU) in occupied and early West Germany represented a significant change from a long history of hostility in confessional relations.
