Christy (TV Movie 1994) - IMDb

Christy is a historical fiction Christian novel by American author Catherine Marshall, set in the fictional Appalachian village of Cutter Gap, Tennessee, in 1912. The novel was inspired by the work of Marshall's mother, Leonora Whitaker, who taught impoverished children in the Appalachian region when she was a young, single woman. The novel explores faith, and mountain traditions such as ...

Christy struggles to understand her pupils, their insular mountain culture, and ultimately her own faith and what it means to her.

Unlike many evangelical novels, faith is not the character's sole concern: Christy spends plenty of time worrying about how to get new b I am not normally a fan of evangelical novels, but "Christy" is an exception.
