International edition textbooks are books that are published by the international counterparts of educational publishers. Educational publishers have a global reach and thus publish their books in the United States and all over the world. Most often they do this to cut down on their own costs of printing and shipping.

What To Know About International Edition Textbooks ...

# Read Online College Books International Edition

Consider international editions - textbooks that have been published outside the US. These books are usually significantly cheaper than textbooks published in the US. Offering tremendous value, international edition textbooks are created to be sold in different regions and are often printed on cheaper paper and are usually softcover.

## International Edition Textbooks | SlugBooks

An international edition textbook has been published at a lower production cost for sale in foreign markets. Distributors overseas then re-sell the titles to customers in other parts of the world at a much lower price. International edition textbooks save students an average of 50% over the prices offered at their college bookstores.

## Buying International Edition Textbooks

An International Edition textbook is simply the international counterpart to a US Edition. Most international editions have slightly different covers, many have different ISBNs on the outside covers (although some have the same ISBN as the US edition on the inside), but are still printed on high-quality paper. International Edition textbooks may have an international label on the cover.
