These fun-sized stories are just right for a coffee break, public commute, waiting room, bedtime story, or any other time you want a quick trip without ever leaving the farm, so to speak. The 100 stories in this quirky collection range in length from a few sentences to a few pages. Nearly all of them have been published before individually, in numerous print and online magazines and anthologies. Tales vary from realistic to humorous to surreal, and family-friendly to adult. Repeating themes include: people-as-animals, people losing themselves and finding themselves (and sometimes wishing they hadn't), childhood in the psychedelic seventies, reality TV, marriage, twisted religion, and of course the gotta have 'em he-done-me-wrongs. Enjoy!

and Robert Arellano. Praise for New Jersey Noir “Oates’s introduction to Akashic’s noir volume dedicated to the Garden State, with its evocative definition of the genre, is alone worth the price of the book . . . Highlights include Lou Manfredo’s “Soul Anatomy,” in which a politically connected rookie cop is involved in a fatal shooting in Camden; S.J. Rozan’s “New Day Newark,” in which an elderly woman takes a stand against two drug-dealing gangs; and Jonathan Santlofer’s “Lola,” in which a struggling Hoboken artist finds his muse . . . . Poems by C.K. Williams, Paul Muldoon, and others—plus photos by Gerald Slota—enhance this distinguished entry.” —Publishers Weekly “It was inevitable that this fine noir series would reach New Jersey. It took longer than some readers might have wanted, but, oh boy, was it worth the wait . . . More than most of the entries in the series, this volume is about mood and atmosphere more than it is about plot and character . . . It should go without saying that regular readers of the noir series will seek this one out, but beyond that, the book also serves as a very good introduction to what is a popular but often misunderstood term and style of writing.” —Booklist, Starred Review “A lovingly collected assortment of tales and poems that range from the disturbing to the darkly humorous.” —Shelf Awareness
