This is not your typical tourist phrasebook. It contains over 75 categories of terms in Basque and English with over 4,000 terms, phrases and sample sentences. Also included is a guide to the English and Basque alphabet and pronunciation. Basque is also known as euskara batua or simply batua. The English / Basque Phrasebook is designed to be used by the English speaker to learn the basics of the Basque language or for a Basque speaker to learn the basics of English. If you are intending to learn any new language, you'll need to get a phrasebook. The purpose of the phrasebook is to give you practice in real-life situations. Memorizing phrases ahead of time is the BEST way to use a phrasebook. Your grammar book, and sometimes even your course, does not give you the "Which room is mine?" kind of phrases. Yes, you will need to flip through the book to find responses or the next question on a different topic, but that is only if you do not practice a bit ahead of time. You can't beat this book - for the price and the small, yet concise and relevant content. Learn how to tell time, order food, go through customs, as well as greetings and social conversations. Proper names may or may not be translated between languages. Generally country names are translated, but personal names, place names, and trade names (products) are not. Some words may provide an alternate translation or transliteration, others may not. This phrasebook is derived from our Words R Us system, a derivative of WordNet. English Wordnet, originally created by Princeton University is a lexical database for the English language. It groups words in English into sets of synonyms called synsets, provides brief definitions and usage examples, and records a series of relationships between these sets of synonyms. WordNet can be viewed as both a combination dictionary and thesaurus.

This book contains essential words and phrases for effective communication with local people. There is a helpful punctuation guide and all words are given in relevant script where applicable. Includes phrases for shops and restaurants.

Features include: *information on nearly 600 languages *individual descriptions of 200 languages, with sample passages and English translations *concise notes on where each language is spoken, its history, alphabet and pronunciation *coverage of every country in the world, its main language and speaker numbers *an introduction to language families

This combination Tigrinya phrasebook and two-way Tigrinya-English dictionary is an essential reference while traveling in Eritrea and Ethiopia. The Hippocrene Dictionary & Phrasebook series allows you be a traveler, not a tourist, by connecting with the local culture and people in their native language. Tigrinya (also written as Tigrigna) is an Afro-Asiatic language spoken by about 7 million people, primarily in Eritrea and Ethiopia. Tigrinya is written in the same Ge'ez script used for the Ethiopic language Amharic, but Tigrinya grammar and usage differs significantly from Amharic. This unique, two-part resource provides travelers to Eritrea and Ethiopia with the tools they need for daily interaction. The bilingual dictionary has a concise vocabulary for everyday use, and the phrasebook allows instant communication on a variety of topics. Ideal for businesspeople, travelers, students, and aid workers, this guide includes: 4,000 dictionary entries Phonetics that are intuitive for English speakers Essential phrases on topics such as transportation, dining out, and business Concise grammar and pronunciation sections

Lonely Planet Spanish Phrasebook & Dictionary is your handy passport to culturally enriching travels with the most relevant and useful Spanish phrases and vocabulary for all your travel needs. With language tools in your back pocket, you can truly get to the heart of wherever you go, so begin your journey now!
