HE STOPPED TAKING FASHION PHOTOGRAPHS IN THE 1940s, BUT HIS LEGACY CHANGED THE MEDIUM FOREVER. When the Second World War came to Paris in 1940, Man Ray relocated to Hollywood, where he eventually decided to abandon fashion photography for fear that his commercial reputation was eclipsing his artistic one. He remained proud of his fashion output however, scouring

Shining a light on the lives of Vogue's fashion models, this collection uses photographs and illustrations from more than 90 years of history to tell the fascinating story of the real faces of fashion. Throughout history, these models have occupied a curious position: while their faces were instantly familiar, virtually nothing else was known about them.
