"Star Trek: The Original Series" Friday's Child (TV ...

"Friday's Child" is the eleventh episode of the second season of the American science fiction television series Star Trek. Written by D.C. Fontana and directed by Joseph Pevney it was first broadcast December 1, 1967. In the episode, the crew of the Enterprise become entangled in a planet's tribal power struggle. Adding to their difficulty is the presence of the Klingons, and a woman who does not want her unborn child. The episode's title is derived from a traditional English poem, known as "Mon

Friday's Child Sportswear Ltd. in New York, NY | Company Info

Friday's Child is Loving and Giving. Friday children are big-hearted and generous. However, in many traditional versions, anything on a Friday was held as bad luck. In the 1887 version of Monday's Child published in Harper's Weekly, it is Friday, not Wednesday, associated with the child "full of woe." This most likely reflects the Christian association with Friday as the day of the Crucifixion.

Friday's Child Baby Gifts

Despite modern versions in which "Wednesday's child is full of woe," an early incarnation of this rhyme appeared in a multi-part fictional story in a chapter appearing in Harper's Weekly on September 17, 1887, in which "Friday's child is full of woe", perhaps reflecting traditional superstitions associated with bad luck on Friday - as many Christians associated Friday with the Crucifixion. In addition to Wednesday's and Friday's children's role reversal, the fates of Thursday's and ...

Monday's Child - Wikipedia

The name of this episode derives from the 1887 Harper's Weekly version of the old children's rhyme, Monday's Child, which includes the line "Friday's child is full of woe." "Capellans" was also the name given to the aliens in Jerry Sohl 's 1953 novel The Transcendent Man , though the connection seems unintentional: the aliens in that book were closer in style to the Organians .
