To say the least John Berger's novel *From A to X* is an intriguing one. It's a novel that is made up of letters and some brief notes. Berger begins his novel with what could be described as a preface in which he tells us that he discovered the letters from A'ida to Xavier in an old abandoned prison. Both A'ida and Xavier were once political activists.

“John Berger has given us an exquisite thing. This is a book of controlled rage sculpted with tools of tenderness and a searing political vision.”—Arundhati Roy “*From A to X* is one of the most tender and poignant books I have read for many years. Its power rests in its economy of means, its account of enduring love surviving oppression.
