Please publish the real, fully-fledged manual instead (when I bought Flight Simulator 2002, the manual on disc was well over 100 pages long. That is the full manual which is supplied with FSX: Steam Edition. All the other information you will need is found in the Learning Centre within the sim. Times have changed since 2002.

FS 38 English 3 The terminology utilized in this manual when referring to the power tool reflects the type of cutting attachments that may be mounted on it. The term "trimmer" is used to designate an FS unit that is equipped with a nylon line head or a head with flexible plastic blades (i.e., the PolyCut head.) FS models with an "R"
