Whether you are new to guided reading or you’re already successfully implementing it like a rock star, you’ll want to check out these posts on guided reading.

Top 10 Blog Posts About Guided Reading—Mrs. Richardson’s ...

During guided reading instruction, the teacher works with a small group of students that are all at the same reading level, reading the same book, and working on a specific reading skill or concept. Depending on scheduling, teachers usually meet with each small group 2-3 times per week.

Getting Started with Guided Reading—Lalilo Blog

Inspire. Reading a dull text is bad. Having to answer questions about it is even worse! Engage children by choosing inspiring texts. There are good published guided reading schemes available but using real books, such as those that we’ve used for our guided reading teaching sequences will encourage a love of reading which extends beyond the guided reading session.

Guided Reading—Primary English Education Consultancy

Guided Reading Boring ? Whether we agree or not, the current method for assessing our children’s ability to read and therefore the method to assess a school’s effectiveness at teaching reading is measured by how many words, out of a list of 40 a year 1 children can read. And how well year 2 and year 6 children can write their responses to comprehension questions.

Out with boring ‘Guided Reading’... but in with what ...

Guided reading – whole class or guided groups? In this blog, Alison Dawkins takes a look at the ways in which guided reading is organised and shares some reflections on the benefits of guiding reading in groups. To explore some earlier ideas from Alison in relation to streamlining the more traditional reading carousel, you may want to read Guided Reading – Where next?

Guided reading—whole class or guided groups? | Herts for ...

Guided reading has been a staple of our timetables for many years. In many schools, it follows a largely, similar pattern. Good work has been done. But, ‘the times they are a-changing’ and one of those changes could be around this session.

Guided Reading Resources—Mrs Mactivity

Each student reads a page/paragraph from a text, specifically selected for their guided reading group. The students that aren’t reading aloud, follow along with the student who is reading. Otherwise, the listener may get lost and have the uncomfortable task of asking where they are supposed to read from when their turn comes around.

How to Set up Guided Reading in the Classroom | Teach Starter

Guided reading is a differentiated approach to reading instruction that offers children an opportunity to practice a range of different reading strategies, all of which I spoke about in my previous blog, The Emergent Reader’s Toolkit. An integral part of the guided reading session is the scaffolded support of the teacher with the ultimate goal of removing this scaffolding and delivering confident, fluent readers.
