Guided reading explained for primary-school parents ...

Guided reading is used in the classroom for small-group instruction. When your child enters a new grade, he or she is assessed and assigned a guided reading level based on word knowledge, comprehension, and fluency. The levels range alphabetically from A to Z, with level A representing the lowest level and level Z the highest.

Guided reading is an approach used by teachers to meet the various instructional needs of all students in the classroom. The goal of guided reading is not to teach a selected book, but to teach students reading strategies they can apply to all books. My guided reading lessons allow me to work with small groups of students at similar levels of development.
