Upgrading from MPhil to PhD registration usually involves a form of oral exam – similar to the viva voce that concludes a PhD. But, unlike a full viva, the MPhil upgrade is less formal and only covers part of your thesis. In most cases you'll submit a small amount of the material you've produced so far.

## The PhD Journey - 7 Stages of a Postgraduate Research ...

The maximum registration for a PhD programme is four years with full-time study, or eight years with part-time study. Assessment All PhD students are initially registered for a Master of Philosophy (MPhil), and the PhD registration is confirmed after the successful completion of an upgrade assessment (at the end of year 1 for full-time students and year 2 for part-time study).

## PhD | Research Degrees | Open University

A Masters degree, or its international equivalent, is often required for entry onto a PhD and this is usually the case in arts and humanities subjects. In the sciences, however, students can sometimes progress directly to a PhD after their undergraduate degree.

## PhD FAQs - Everything You Need to Know About Doctoral Study

The majority of institutions require PhD candidates to possess a Masters degree, plus a Bachelors degree graded at 2:1 or above. However, some universities demand only the latter, while self-funded PhD students or those with significant professional experience may be accepted with lower grades.
