Surf music is a subgenre of rock music associated with surf  
culture, particularly as found in Southern California. It was  
especially popular from 1962 to 1964 in two major forms.  
The first is instrumental surf, distinguished by reverb-heavy  
electric guitars played to evoke the sound of crashing waves,  
largely pioneered by Dick Dale and the Del-Tones. The  
second is vocal surf, which took ...
