Hi guys. I just bought a used boat  
with a Johnson 140 VRO with no  
serial/model tag. I have read on  
other forums that you can identify  
the year/model by the welch plug  
numbers. Maybe someone can  
help? I am trying to get the right  
manual for my motor. Attached  
are photos that might help  
identify the right model.
