This modern classic of golf instruction by renowned teacher Manuel de la Torre (the 1986 PGA Teacher of the Year and the #11 teacher in America as ranked by the editors of Golf Digest in 2007) presents a simpler approach to the golf swing based on Ernest Jones's principles. Understanding the Golf Swing includes information on the philosophy of the golf swing (with emphasis on the development of a true swinging motion), the most thorough analysis of ball flights available, and analysis of the principles of special shot play (including sand play, pitching, chipping, putting, and playing unusual shots) and the mental side of golf and effective course management. The final chapter offers an organized approach to understanding golf courses and playing conditions. The result is a blend of philosophy and practical advice found in few golf instructional books.

The acclaimed actress and author of *Jesse: A Mother's Story* tells the "entertaining and moving" story of her outspoken, frequently outrageous Italian immigrant mother (Tom Perrotta) Marianne Leone's Ma is in many senses a larger-than-life character, one who might be capable, even from the afterlife, of shattering expectations. Born on a farm in Italy, Linda finds her way to the United States under dark circumstances, having escaped a forced marriage to a much older man, and marries a good Italian boy. She never has full command of English—especially when questioned by authorities—and when she is suddenly widowed with three young children, she has few options. To her daughter's horror and misery, she becomes the school lunch lady. *Ma Speaks Up* is a record of growing up on the wrong side of the tracks, with the wrong family, in the wrong religion. Though Marianne's girlhood is flooded with shame, it's equally

packed with adventure, love, great cooking, and, above all, humor. The extremely premature birth of Marianne's beloved son, Jesse, bonds mother and daughter in ways she couldn't have imagined. The stories she tells will speak to anyone who has struggled with outsider status in any form and, of course, to mothers and their blemished, cherished girls.
