Hindu mythology can easily become a bewildering subject. There are a vast number of gods, demigods and supernatural beings (some writers refer to as many as 330 million deities). More than this, the beliefs concerning them, their roles in religious practice, and their manifestations in different texts vary according to time, place, and tradition throughout India's vast territory and long history. For anyone interested in the subject, or for anyone approaching an epic such as the Mahabharata, a good guide is needed, and none has equaled Hindu Mythology, Vedic and Puranic by W.J. Wilkins for completeness and clarity.

Aru is only just getting the hang of this whole Pandava thing when the Otherworld goes into full panic mode. The god of love's bow and arrow have gone missing, and the thief isn't playing Cupid. Instead, they're turning people into heartless fighting

Best-selling author Rick Riordan Presents the penultimate book in the Pandava series by best-selling author Roshani Chokshi. Aru Shah and her sisters--including one who also claims to be the Sleeper's daughter--must find their mentors Hanuman and Urvashi in Lanka, the city of gold, before war breaks out between the devas and asuras. Aru has just made a wish on the tree of wishes, but she can't remember what it was. She's pretty sure she didn't wish for a new sister, one who looks strangely familiar and claims to be the Sleeper's daughter, like her. Aru also isn't sure she still wants to fight on behalf of the devas in the war against the Sleeper and his demon army. The gods have been too devious up to now. Case in point: Kubera, ruler of the city of gold, promises to give the Pandavas two powerful weapons, but only if they win his trials. If they lose, they won't stand a chance against the Sleeper's troops, which will soon march on Lanka to take over the Otherworld. Aru's biggest question, though, is why every adult she has loved and trusted so far has failed her. Will she come to peace with what they've done before she has to wage the battle of her life? Filled with wondrous magic, unforgettable creatures, manipulative gods, and laugh-out-loud dialogue, this fourth book in the Pandava series, a fantasy adventure loosely based on mythology, will leave readers wishing they could read the finale right now.

The new fast-paced fantasy adventure starring Aru Shah! War between the devas and the demons is imminent, and the Otherworld is on high alert. Aru Shah and her friends are sent on a mission to rescue two targets, one of whom is about to utter a prophecy that cannot reach the ears of villainous the Sleeper. A mystical wish-granting tree might be Aru's only hope to save the day - can she find it in time?

Thirteen-year-old Sikander Aziz has to team up with the hero Gilgamesh in order to stop Nergal, the ancient god of plagues, from wiping out the population of Manhattan in this adventure based on Mesopotamian mythology.

As the world trembles on the threshold of Kali Yuga—4,32,000 years of unprecedented evil—it waits for a saviour to rise. Meanwhile, in the dark netherland of the asuras, the meek Vama shudders as he learns that he is actually Pradyumna, the son of Krishna. And that his journey has just begun. From the asura kingdom to Dwaraka and then Kurukshetra, destiny forces him to battle monsters, angry gods and blazing weapons, and overpower his own weaknesses. Will he be able to rise to the challenge in time to save the world? Or is he the destroyer prophesied by Narada?
