Short story collection

The book contains a collection of letters from prison written by Gabrielle Russier, a 30 year-old teacher whose love affair with a sixteen year-old student resulted in her prosecution, imprisonment, and suicide. Mavis Gallant provides an interpretative essay.

Women suffer from headaches far more than men. According to the World Health Organization, migraine is one of the most disabling medical conditions. The understanding of the pathophysiology of migraine has changed dramatically over the past decade, leading to more rational and targeted treatments. Since most migraineurs are young women, use of contraception, management of headaches with menstruation, pregnancy, lactation, and menopause are important issues addressed in this text. Headaches are often inherited, and, as such, the book also discusses genetic issues, particularly relevant in this era of customized medicine. The hormonal management of transgenders is important as many will experience severe headaches during their transitions. Comorbidities, including psychiatric syndromes and strokes, are also presented in detail. This text will be of interest to all practitioners who manage women with headaches.

From USA TODAY Bestselling Author Claudia Burgoa comes a single-dad sports romance where the only thing more heartfelt than the small town is the love story. I never wanted to go back to Baker ' s Creek. But when it rains, it pours. I lost my job, lost the guy, and lost the house. The perfect trifecta of ruin. Ten years after I said I can make it on my own, I have no choice but to ask for help. But it ' s my mother who needs me now... So it ' s back to where I don ' t belong. There ' s no opportunity in my hometown. The only job that I can get is nannying. For a player from the Vancouver Orcas. " Mean " Mills Aldridge is going to be my new boss... and I ' m supposed to pretend he isn ' t sex on skates. Between avoiding the town mean girls, helping my parents, and trying not to behave like a puck bunny, my job with that sweet boy is fast becoming just like the rest of my life--one big complication. My only escape is my late-night chats with Mills. The confessions we share make me feel like I belong. The stolen kisses make it hard to remember why I ever left. Until the opportunity I ' ve been waiting for arrives, and it ' s time for me to say goodbye. But can I leave that little boy and his father behind? The Baker ' s Creek Billionaire Brothers series is a romantic comedy saga that ' s swoonful and sexy, with the right mix of ugly-cry moments and sweet seductions.

I ' m the type of girl who ' s given up on fairy tales. So when Beck – the hot new busboy at work – starts flirting with me, I know better than to get my hopes up. Happily ever afters aren ' t for the average. I learned that the hard way. But how can I be expected to resist a man who can quote Austen, loves making me laugh, and seems to be everything hot and good in this world? Only there ' s so much more to him than that. Billionaire playboy? Check. Troubled soul? Check. The owner of my heart, the man I ' ve moved halfway across the country to be with, who ' s laying the world at my feet in order to convince me to never leave? Check. Check. Check. But nobody does complicated like the one percent. This is not your everyday rags-to-riches, knight-in-shining armor whisking the poor girl off her feet kind of story. No, this is much messier. " Rich Boy takes you on a literal ride! Funny. Angry. There's mean rich people and people you root for. It's a definite recommend from me! – Tijan, New York Times bestselling author " Rich Boy was witty, exciting and had the most intense slow burn romance I ' ve read in a long time. The complexity of the characters was refreshing and made me wish for more!" —Audrey Carlan, #1 New York Times bestselling author

From New York Times Bestselling Author Jasinda Wilder comes a sexy, laugh out loud romantic comedy series that is the perfect escape. If you ' re a fan of Sex in the City and you binge watched Selling Sunset, you don ' t want to miss this. It was just supposed to be just a 40th birthday prank for our boss after a wild night of girlfriends, laughter, and a LOT of margaritas. When we placed the ad in the newspaper, we never thought anyone would actually answer it. We also didn ' t think that Laurel would be so brainless as to put Lizzy ' s actual phone number in the ad... " Beautiful, successful single woman, 40, seeks attractive male billionaire to impregnate her the old-fashioned way. No strings. NOT seeking sugar daddy. Validation required. Serious inquiries only, please. " What could possibly go wrong? Everything.
