More Then It Hurts - YouTube

Originally Answered: Why do parents sometimes say "it hurts me more than it hurts you"? Because, as a parent, it is distressing to see your child upset. You love them and do not want to be the reason they are crying. This is especially true in the case of spanking when a parent has the correct mindset and are not lashing out in anger.

Why do parents say "this hurts me more than it hurts you ...

It may mean nothing to you, but when we hear it, it still hurts.

More Than It Hurts You: A Novel - Kindle edition by ...

And now all of that had dissolved into my very first "this hurts me more than it hurts you" parenting moment. It hurt terribly. It hurt to make my daughter sad. It hurt to discipline her in such a personal way. It hurt to see that brand new dress that had brought both of us so much joy lying in the trash can.

When you began reading More Than It Hurts You, what did you know about Munchausen syndrome by proxy? Do you believe that its origins are biological, or do you agree with the viewpoint that there is no medical evidence for such a condition and that it's a way for abusive mothers to be absolved of their actions?
