Nostromo is the only man capable of the decisive action needed to save the silver of the San Tome mine and secure independence for Sulaco. Is his integrity as unassailable as everyone believes, or will his ideals, like those which have inspired the struggling state itself, buckle under economic and political pressures?.

Nostromo Part 1 - YouTube

Nostromo is very dream-like, everything has a colorful, vibrant, out-of-focus haziness to it that dips back and forth in time, point of view, tone, and mood. Conrad most likely was trying to capture the essence of some South American jungle in all its complexity and savageness by intentionally being vague. Yet some of the best moments where ...

Conrad built the novel around the story of a man who, taking advantage of a local revolution, managed to escape with a lighter (a flat-bottomed barge) loaded with silver. Like Henry James, Conrad had the ability to construct entire stories starting from a brief real-life anecdote. It is known that _Lord Jim_ was conceived in the same way.
