Pacing Guides include the mastery expectations (3.0 Learning Targets) and additional Learning Targets (4.0 and 2.0) that teachers use for instructional purposes. In relationship to 3.0 Learning Targets, 4.0 targets are more complex and 2.0 targets are simpler. The 4.0 and 2.0 Learning Targets are fluid and flexible, adjusted throughout the school year based on teacher input and

These pacing guides are to serve as a guide to what you student is learning in the classroom at any point throughout the year. The pacing guides for Grade K-8 have been revised to align with the new Common Core State Standards (CCSS) for English language arts and math. Those that have been aligned to CCSS are in a "draft" format this academic year so our teachers and staff can add features, as well as work out any bugs that are associated with implementing the new pacing guides to Common Core.

Common Core Math Pacing Guide ...

As mentioned above, this pacing guide is aligned to the 5th grade common core math standards.

The guide includes the math skill with the common core standard with which the skill correlates. In addition to the time frame and sequence of skills, I also included my rationale and reasons for teaching the skill at that point in the year (or my reasons for teaching that skill before or after other math skills).
