Jaxon Malone is a Captain in the Air Force for the Earth World Government. She is sent on an espionage mission to the alien planet of Katiera. She finds herself torn between her loyalties to her home world Earth, and the new feelings she is developing towards the people of Katiera and their Commander. Will she choose to break the ties that bind her to a dying home world? Or . . . Will she embrace her new life, and with it, a love far greater than any she could have imagined? Prime Commander KydEL must negotiate an alliance between the two alien nations of Kiljor and Katiera. The moment he meets the female warrior from Earth; she turns his world upside down. She causes unexpected mating

urges to rise up within him. It is distracting and disruptive. He makes every effort to ignore her, and the mating urges. Will he be able to succeed with the negotiations before an all-out war descends? Will he overcome the mating urges or will he finally give in to them? Will he wait too long and lose her to a rival?

Examines the life of Paul the Apostle using Biblical passages and studies of ancient Jewish life in Biblical times and finds lessons of faith, humility, and self-sacrifice which modern Christians can apply to their own lives.

Rehabilitation should not stop when the disabled person is discharged from hospital, and many neurological patients require ongoing rehabilitation in order to maximize their functional abilities, minimize complications and promote full participation at home and in the community. This book analyses community rehabilitation needs from many different perspectives, including the views of disabled people, rehabilitation clinicians and service providers. Many examples of community rehabilitation schemes are presented, with evidence for their effectiveness, and case studies are used to highlight the main issues. The authors take an international view, and there are chapters dealing with the disabled child in the community and with neuropsychological rehabilitation. This important book
