this jargon-free text accessible to people who have had little or no previous contact with philosophy.

First published in 1997, this valuable volume is a collection of previously published, clear, non-technical essays brought together in this volume on a wide range of polemical topics including war and peace, love and sex, and life and its meanings. Written between 1979 and 1994, the papers lucidly approach human questions which are of issues to both academic philosophers and the wider, popular audience. Jenny Teichman's polemics have been written with wit and gusto and her writing displays a talent for puncturing the pretensions of highly reputable thinkers and landing some well-placed blows. Much amusement can be derived from this book, along with much instruction.

Social Ethics is an animated introduction to moral philosophy and the key ethical issues of today, and will serve as the ideal text for undergraduate courses in applied, practical and social ethics.

The concepts of mind and soul have occupied the thoughts of philosophers throughout the ages and have given rise to numerous

conflicting theories. This book provides an incisive and stimulating introduction to central tropics in the philosophy of mind. The author writes about the differences and connections between the ideas of mind and soul and about the metaphysical issues of Dualism, Solipsism, Behaviourism and Materialism. In the course of her account she discusses the arguments of several philosophers including Plato, Descartes, Wittgenstein, Ryle and Hume. Review of the original edition, 1974: "It is clear, incisive and unidiosyncratic. Issues and theories are discussed simply yet without serious distortion or vapidty, and the book is full of argument. Stewart Candish, "Mind"

In this text, Teichman looks at the causes of war; the definition of a just war; wartime practices such as terror, torture, and hostage taking; anti-war campaigns, and much more.

List of members in v. 1- .

Teichman describes and analyzes the theories of pacifism and the traditional doctrine of the just war. (Theology)
