Vols. for 1871-76, 1913-14 include an extra number, The Christmas bookseller, separately paged and not included in the consecutive numbering of the regular series.

This book helps readers release their genius -- their Natural Brilliance -- and use it to overcome barriers that have blocked them in the past. It frees readers to move in the direction accomplishing hopes and dreams. Paul R Scheele is a recognised authority in three leading edge technologies or human development: Accelerated Learning, Neruo-Linguistic Programming, and Preconscious Processing. As a result he is able to discover processes of the human brain and present them in an easy to understand fashion.
