New historicism - Wikipedia
Introduction. New historicism has been a hugely influential approach to literature, especially in studies of William Shakespeare's works and literature of the Early Modern period. It began in earnest in

Download Free Practicing New Historicism

1980 and quickly supplanted New Criticism as the new orthodoxy in early modern studies. Despite many attacks from feminists, cultural materialists, and traditional scholars, it dominated the study of early modern literature in the 1980s and 1990s.
