Amazon.com: Rebels: City of Indra: The  
Story of Lex and ...

It's called Rebels: City of Indra, the Story  
of Lex and Livia. It's got two interwoven  
plotlines, an unexpected birth-control plot  
twist, and clocks in at 342 pages. No  
pictures. Rebels takes place in the type of  
future where people talk in the way of  
steampunk: a little old-timey, a little  
futuristic. You never know what you're  
going to get.
