inserting a center piece into each one.

Record Changers -
Vintage Hi-fi and
Refurbished
What types of records
work on a vintage
record changer?
Record players made
before 1968 may
accept 78 RPM
records, which were

Get Free Record Changers Work

phased out of use at that time. Most vintage record hangers will play vinyl 33 1/3 RPM long-play records and 45 RPM single records. To switch between the two types, you may need to manually change the adapter on the core ...
