Parents need to know that Return to Exile is the first book in The Hunter Chronicles, a dense fantasy series stamped with the ages 8-12 range by the publisher, but 10 and up may be a better fit. The 500-page length may be daunting for kids just getting into fantasy (and the huge cast of characters and many subplots contained therein).

Return to Exile Quotes by E.J. Patten

Return to Exile was like Ghostbusters (with teens) meets A Series of Unfortunate Events with a tiny bit of Inception sprinkled on top. It was a pretty cool combination. Just when I thought that nothing else could go wrong, it would go all Unfortunate-Events on me and get worse. The witty humor was one of my favorite things.

After defeating the map boss, go into the portal and defeat Al-Hezmin, the Hunter. To spawn the Conqueror again, open a map in a region with one Watchstone slotted with a map of the appropriate tier (as long as their corresponding Watchstone hasn't been found yet for that region). Find their Citadel again by running maps within the region they're influencing two more times, then repeat the process of entering their Citadel and defeating them.
