1993. This study was written in 1946 having been commissioned by a large corporation in the food industry. The insights from this agricultural economics perspective even now are highly interesting. At the time there was real concern over food shortage and the UN and US government assumed there would be a problem

Aimed at a wide audience of readers, *The Anthropology of Catholicism* is the first companion guide to this burgeoning field within the anthropology of Christianity. Bringing to light Catholicism 's long

File Type PDF

Schlepper

but comparatively ignored presence within the discipline of anthropology, the book introduces readers to key studies in the field, as well as to current analyses on the present and possible futures of Catholicism globally. This reader provides both ethnographic material and theoretical reflections on

File Type PDF

Schlepper

Catholicism around the world, demonstrating how a revised anthropology of

Catholicism can generate new insights and analytical frameworks that will impact anthropology as well as other disciplines.

What can nurses do to support those receiving palliative care? How do

File Type PDF

Schlepper

you ensure clear communication and maintain patients' and families' preferences?

Palliative Care Nursing is essential reading for nursing students, nurses and other health and social care professionals providing supportive and palliative care to those with advanced illness or who are towards the end of life. This third edition

File Type PDF

Schlepper

of the acclaimed  
textbook has been  
extensively revised and  
examines important  
research studies, key  
debates around care and  
strategies to move  
palliative care nursing  
forward. In four sections  
the book covers key  
elements of nursing  
practice towards the end  
of life: • Who is the  
palliative care patient? •

File Type PDF

Schlepper

Providing palliative nursing care • Caring around the time of death

- Challenging issues in palliative care nursing

Leading authors in each of these fields address contemporary issues and explore how to provide high quality person-centred palliative care, encouraging application to practice through exercises case studies.

foundational textbook  
for all studying palliative  
care at pre-registration  
level, postgraduate level  
or as part of CPD study.  
With a foreword by last  
edition editor, Professor  
Sheila Payne, Lancaster  
University, UK. “ I  
welcome this third  
edition of Palliative Care  
Nursing and  
congratulations to the  
new team who have

File Type PDF

Schlepper

provided us with a dynamic and innovative development of a core text for palliative nursing practice. As the largest workforce in palliative care, and given the changing face of clinical practice for nurses, including increased educational opportunity and expanding roles and responsibilities, this book is timely in its focus on

File Type PDF

Schlepper

critical issues which  
frame and scope the  
reality of palliative care  
and the nursing  
contribution to that  
discipline. The learning  
exercises, in particular,  
offer tools for educators  
and clinicians to reflect  
on practice and  
understand new ways of  
knowing in palliative  
care. It will be an  
excellent resource for
