There are three types of documents you can find for your machine: the Instruction Manual, for practical use; the Service Manual, for maintaining your machine without a qualified technician; the Parts List, to allow you to easily identify any missing or in need of replacement parts. Janome machines as standard only include the Instruction Manual and other items purchased separately.

I am totally impressed with this new machine. I just purchased the acu-quilt program and am looking forward to learning all I can do with it. Love the extension table for larger size embroideries and of course the larger hoops. If you have been using Janome embroidery machines this new one is very intuitive even for a grandma nearing her 80th.
