Ancient Greek Beliefs explores the mysteries of the ancient myths and religious beliefs of a great people. The text is divided into three sections, Greek mythology, the ancient Greeks, and conclusions. A brief history and lengthy glossary are included. The book is designed as a basic text for the introduction to ancient Greek mythology and beliefs, and the text muses about the religious lessons we might learn from them. It contains abridged stories of Greek mythology, including the extant Greek plays, and considers portions of the works of the great writers, including Aeschylus, Euripides Hesiod, Homer, Plato, and Sophocles. It opens a comprehensive window into the lives of these great ancient people.

A one-semester Principles of Macroeconomics course. Found either as the first course in Economics at the undergraduate level or at the MBA level. McConnell/Brue/Flynn is the market-leading text and should be comped to any mid-level school that is searching for a well-balanced, neutral text; it is an excellent committee book.

Homesick cabin boy Davy isn't a very good sailor. He hates heights, feels sick from the swaying sea and ruins the ship stew with too much pepper. The only thing that keeps him going are the crazy stories Cook tells about the grizzly sea monsters. But when a huge wave sweeps him overboard, Davy finds himself in much stormier waters... and on the ship of a vengeful skeletal pirate captain! How will Davy get home now?!

In this enhanced digital edition of The MELT Method, Sue Hitzmann shows you how to live without pain, illustrating her MELT techniques with 20 instructional videos plus 10 audio clips, so you can listen hands-free while you start your journey toward a pain-free body. In The MELT Method, therapist Sue Hitzmann offers a breakthrough self-treatment system to combat chronic pain and erase the effects of aging and active living-in as little as ten minutes a day. With a focus on the body's connective tissues and the role they play in pain, stress, weight gain, and overall health, Hitzmann's life-changing program features techniques that can be done in your own home. A nationally known manual therapist and educator, Hitzmann helps her clients find relief from pain and suffering by taking advantage of the body's natural restorative properties. The MELT Method shows you how to eliminate pain, no matter what the cause, and embrace a happier, healthier lifestyle.

This clinical reference, part of the "On Call" series, provides practical information on the diagnosis and management of on-call neurologic conditions. The book begins with an introduction to the principles of neurologic care, them moves on to specific, common calls, and then selected neurological disorders. This second edition features a new chapter on epilepsy. Includes appendix and charts.
