The Literature On Social Studies
759 Words | 4 Pages. The literature on social studies enjoys a wide range of social movement's definitions (Christiansen 2009). This diversity of such a definition is due to the fact that theorists tend to define the term of a social movement depending on their particular theoretical formulation (Diani 1992).

Practice Questions. Social Studies is primarily concerned with the study of people, their activities and relationships, as they interact with one another and with their physical and socio-cultural environment in an effort to meet their needs (to live and to make a living). It is essentially the study of human group experiences.

Social Studies - BBC Bitesize
Social studies is a multi-disciplinary subject that teaches students how to think, function, and ultimately make a difference in society by finding personal connections between oneself, events and people in the past, present, and future. Or how a beauty contestant would say, "It teaches and explains how to become a better citizen in society".
