There will be the odd occasion when you need to speak your mind or share a point of view that others might disagree with. In which case, keep things light but be open and honest. You have to remember that being charming isn't about 'people-pleasing'. You still have to believe in yourself and your principles. People will always respect your opinion – make sure you express it in the right way.

12 rules on how to charm anyone and win people over ...
