James Hillman, always staying with the essence of things, rejects the tendency to extract hidden messages from the dream using "ego-consciousness," and "dayworld" interpretations; instead he restores the dream to the night, back to the underworld—to its origin as an image of the soul.

~~The Dream and the Underworld by James Hillman~~

James Hillman has written many books mapping the psyche. Having read most of them - and also this one - I would say this one particularly tackles a framework of how to resolve the psyche PRACTICALLY - through dreams. Chapter 5 focuses on this. And it is workable.

The Dream and the Underworld. James Hillman. A book review by Gyrus / Posted 1 May 2008. There ' s been a deep shift in my thinking over the past five or so years, and this book has been a crucial pivot. It ' s Hillman ' s most " extreme " book, pushing his impatience with modern psychology ' s " developmental " bias to counter-intuitive and provocative limits.

~~The Dream and the Underworld book by James Hillman~~

The underworld and its dreams contribute to the making of Soul, and are not to be used as helps to fix up our daytime life. To do so is an act of exploitation. This clearly is at odds with our culture's fixation on mining one's dreams for images, ideas, information that can help us be more productive and functional players in the status quo world we inhabit during waking hours.

~~The Dream And The Underworld by James Hillman | The...~~

In 1979, the American psychologist James Hillman published The Dream and the Underworld, a polemical meditation on the nature of dreams. Rejecting the orthodoxies of both Freud and Jung, Hillman argued that the the "nightworld" of dream should not play second fiddle to the "dayworld" of waking life, because in the soul as on earth, day and night are equally essential, and equally real.
