The five stages are a

reference to the five

stages of grief, which

were introduced by

Elisabeth Kübler-Ross.

They're: Denial, anger,

bargaining, depression,

and acceptance.

"The Five Stages of
Andrew Brawley" is an

amazing book. I loved
going through Andrew's
journey with him as he
has to come to terms
with the death of his
family and the
relationship between
him, his friends, and
Rusty is so amazing.
