~~Origins. Before the late 19th century, little was available in the form of career guidance for those looking to find a job. Back then, career guidance was known as vocational guidance. Most work prospects developed from close community contacts such as family, friends and perhaps church. The turn of the 20th century saw a rise in immigration, resulting in an increased need for a more organized effort to help people find jobs.~~

A Brief History of the Development of Guidance and Counselling in Malta; 19681987 JOSEPH P. DeGIOVANNI INTRODUCTION The need for vocational guidance has long been felt in Malta where, as it has been stated over and over again, there are no natural resources except human resources. The optimal use of skills and abilities has historically been identified as the best, if not only strategy to ensure national and economic development. and as Sultana (1992) has pointed out, 'human capital theory ...

History Of Guidance And Counselling In America Free Essays

Guidance counseling, byname counseling and guidance, the process of helping individuals discover and develop their educational, vocational, and psychological potentialities and thereby to achieve an optimal level of personal happiness and social usefulness. The concept of counseling is essentially democratic in that the assumptions underlying its theory and practice are, first, that each individual has the right to shape his own destiny and, second, that the relatively mature and experienced ...
