The Philosophy of Existentialism Summary - cNotes.com

Gabriel Honoré Marcel was a French philosopher, playwright, music critic and leading Christian existentialist. The author of over a dozen books and at least thirty plays, Marcel's work focused on the modern individual's struggle in a technologically dehumanizing society. Though often regarded as the first French existentialist, he dissociated himself from figures such as Jean-Paul Sartre, preferring the term philosophy of existence or neo-Socrateanism to define his own thought. The Mystery ...

Gabriel Marcel - Wikipedia

One of the philosophers whom I remember reading (and probably not understanding) as an undergraduate was Gabriel Marcel. Jill Graper Hernandez introduces her article about him with the following words: The philosophical approach known as existentialism is commonly recognized for its view that life's experiences and interactions are meaningless.

The Philosophy of Existentialism by Gabriel Marcel

The second aspect of secondary reflection involves a process of recovery, or what Marcel called, in The Philosophy of Existentialism, an assurance of the realm of mystery. Throughout Marcel's work there is an attempt to reveal objective structures of human existence by means of the process of secondary reflection, a process that helps individuals to appreciate and recover defining human experiences.
