••• **The Funds You Need For**

Go into detail about the
problems your business

solves. Be specific, and

list out the consumers,

organization, or businesses

your company plans to serve.

Explain the competitive

advantages that will make

your business a success.

Write your business plan

Show the investor that their

success comes from your

past; Ensure that you use

very plain language and

simplify; Don't try to sell

anyone in your business

plan. You are a business

man.

control, you can make your business plan stand out without falling victim to the usual pitfalls suffered by other business owners.

*Standout Business Plan -
YourBusinessPal.com*

The key here is to let your mind wander to unusual and creative places. After you've written a long list, write down your favorites, each on a separate piece of paper. Then try combining some of these favorites words into unexpected pairs, and write these down. Then tack these papers on the wall and stand back.
