TRACES OF THE TEMPLARS. The Knights Templar ruled over the island of Cyprus from 1244 to 1314. It is known that, despite the island being overthrown later, a number of them settled on the island for a long time after. It is because of this that it is possible to come across traces they left behind.

The Templars were basically part of the invading Norman forces, though there may have been local recruits. For the United Kingdom, birth, marriage and death certificates are held by the General Register Office. But your best bet as you go back beyond the 19th century is going to be local parish records.

Less popularly known is the story of the French Templars who escaped. Even the Templar organization as it exists today isn't sure what the whole story was.

According to the popular story, all the Templars were arrested on Friday the 13th, in October 1307. But it's also been speculated that some escaped persecution.

Traces of the Templars by George Francis Tull and George F ...

The Knights Templar were one of several "knightly orders" founded during the crusades. Forming a new caste of "warrior monks" they took oaths to protect the "Holy Land" and especially pilgrims by the sword. At the same time members strived to lead an exemplary Christian life, mainly based on the medieval orders of monks.

The Templars were France's treasurers and Europe's bankers, as well as large landowners, traders and sailors. Saladin did great damage, as did the Turks, but it was the Mamluks, ferocious slave soldiers originally from the Russian steppes, who destroyed the crusader states and left the Templars to the greed of France's King Philip IV.
