The Way Of All Fish A Novel Martha Grimes
The Way of All Flesh (sometimes called Ernest Pontifex, or the Way of All Flesh) is a semi-autobiographical novel by Samuel Butler that attacks Victorian-era hypocrisy. Written between 1873 and 1884, it traces four generations of the Pontifex family. Butler dared not publish it during his lifetime, but when it was published (in 1903) it was accepted as part of the general reaction against Victorianism.
